Google Nest Mini 2nd Generation

Meet the 2nd generation Nest Mini, the speaker you control with your voice. Just say "Hey Google" to play your favourite music from Spotify, YouTube Music, and more. It sounds bigger and richer with more power and more bass. Ask your Google Assistant for help, and get the best of Google – weather, news, or almost anything. Hear your personalised schedule, commute, and reminders. Set timers and alarms. And even turn on the lights. Nest Mini is compatible with more than a thousand smart devices, like lights, thermostats, and smart plugs, from brands you love. It blends right into any room – on a coffee table, nightstand, or wall.

WACACO Minipresso NS Portable Pod Espresso Machine

The Minipresso NS portable coffee machine is a quick and efficient way to enjoy delicious espresso wherever you are. The innovative design uses NS pods to create a rich, bold espresso every time. With the help of the semi-automatic piston, small quantities of water are injected into the coffee adapter. After a few pushes, the optimal extraction pressure is achieved and a rich and bold espresso is extracted.

The coffee is ground, measured and tamped with high precision, making it much more convenient and mess free. It's easy to clean, too! The WACACO Minipresso NS Portable Pod Espresso Machine is the best way to enjoy a delicious coffee in your home or on the go.
